1.4 Mr Lloyd Garvie	I can find no meaning for the term "settlement". If housing is going to be directed at settlements it should be made clear what a settlement is.	Glossary is too limited. Numerous terms are not explained in the text. In particular "settlement" is a significant term which needs consideration	Beyond the professions the plan will be read by a wide spectrum of individuals, groups and businesses. It is important that it can be easily read and comprehended. The Plan has been written in a way which hopefully achieves this. There are nevertheless situations and circumstances which necessitate the use of technical terms. These can be kept to a minimum but it remains necessary to ensure the Glossary covers the required definitions.	The Glossary has been extensively revised. The term "settlement" has been defined in the text within the context of Rural Service Centres in Table 1 of the Strategy.
72.14 Mr B Wallace, GVA Grimley, Invervale Ltd	The Glossary is limited. For example there are no definitions of Planning Loss and Infrastructure.			
74.11 Mrs R A Henderson, Cove and Altens Community	This page should be at the front of the document. Which person with a poor grasp of English is going to work through to the end of the booklet to discover that interpretation is available? They would have given up long before this.			
125.18 Mr B Wallace, GVA Grimley, Barratt Construction Ltd	Limited. For example there are no definitions of planning loss and infrastructure.			
126.7 Mr B Wallace, GVA Grimley, G Gaffney	The Glossary is limited. For example, no definitions of Planning Loss and Infrastructure are given.
